

Putting Faith To Work

A Guide for Congregations and Communities

Putting Faith To Work: A Guide for Congregations and Communities offers a step-by-step approach to empower faith communities in supporting people with disabilities in finding meaningful employment aligned with their gifts, passions, and skills.

This pathway to work is forged by tapping into the personal network, creativity, and commitment existing within any congregation.

Did you know that one in every three families has a member or relative with a disability?

Did you know the unemployment rate for people with disabilities is more than double that of people without disabilities?
